

Pro-Tech Industries signs 3 year Agreement for IT Related Projects with Large Telecommunications Company Headquartered in New York, NY

Sacramento, Ca, Pro-Tech Industries, Inc. (“PTI”) (OTCBB: PTCK) has announced that it has signed a 3 year agreement with a large telecommunications company located in New York, NY. The agreement will allow Pro-Tech Industries telecommunications division to work on large scale IT related projects throughout the United States. The agreement will provide opportunities in Structured Cabling, IT Equipment Installation and Outside Plant related projects. Management anticipates, but can not guarantee, estimated revenues from this agreement of approximately \$15 million over the 3 year term.

Patrick Quarry, Director of Business Development for Pro-Tech Industries’ Telecommunications Division commented, “Working with this National based telecommunications company will open the door for many more opportunities between our two companies. We look forward to partnering on future public and private sector projects leveraging PTI’s core competencies.”

Pro-Tech Industries, Inc. is a regional leader in design/build services for infrastructure segments including fire protection/life safety, alarm/detection, electrical, and voice/data communications. Company offices are located in Sacramento and San Diego, CA and in Reno and Las Vegas, NV.

Forward Looking Statements
